See America! Rent a tent for as low as $9 a night

KOA®

New from KOA ... Now you can rent a tent, for family or friends, at more than 175 KOA Kampgrounds in the U.S. and Canada. KOA makes it easy for you to see the beauty — and enjoy the activities — of this great Continent. Wherever you go, look for a KOA. More than 175 of them have low-cost, comfortable tents for rent. Prices vary, but average about $9 to $11. You'll find large 9 x 12 ft. tents all set up and waiting for you. The tents are equipped with either cots or air mattresses. All you have to provide are sleeping bags and pillows. Take another family camping with you; they can rent a tent and enjoy the fun of camping in the great out-of-doors with you. If you already own a tent, sometimes it's more convenient to rent one than to set up your own. If you're tired of too much togetherness (or not enough togetherness) in your RV, why not rent a tent for the kids to sleep in for a few nights? It's an easy, economical way for teachers, students, scout groups, athletic teams, church groups and others to travel.
